A new organization, 'Create Austell' will hold a launch party on January 14, from 4:00 p.m. – 6:30 p.m. The location of the event is Austell CoWork, 2760 Broad Street in downtown Austell.

In an email, to the Cobb County Courier, event organizer Derek Caffé wrote:

“People who attend the Create Austell Launch event should expect to meet a group of neighbors and community stakeholders with a mutual interest to move Austell, and more specifically downtown Austell forward. Many of us moved to Austell, not because it was the perfect location, but it had all the bones to make it a great place to live, work, and enjoy if provided with the right doses of love and care. Through Create Austell we’re aiming to form a unified voice around that needed progress focusing on the four areas of 1. Housing/ Zoning 2. Mobility 3. Sustainability 4. Arts & Culture. The goals being:

1. More restaurant, retail, and entertainment options in the downtown
2. Increased residential density in our downtown to support the restaurant and retail components
3. Better walkability and varied mobility options
